OPENING

The Sign of the Times . . . The good times of the 1984-85 school year. The year started off well with the donation of the new lion sign from the Booster Club. The new sign announces all the high school's happenings such as the theater class's productions of **MASH** and the **Frog Prince**. **BEWARE OF THE LIONS** would be a good sign for the football and basketball season. **INDIAN BUSTERS** was the theme of Homecoming this year and the football team put forth an excellent effort in the game. The **VIPS** include the Scholarbowl team, National Honor Society, Illinois State Scholars, and **JETS** team. The musical, the Wizard of Oz, and the Variety Show were worth **STOP**ping everything to **GO** see. Clubs and activities were very active and they brought people together to make new friends and **YIELD** money by selling candy. **GO LIONS**, showing school spirit, would be the best sign of these times this year.

HOME COMING

Homecoming . . . Indian Busters was the theme of this year's homecoming. It was fun for everyone from the planning of the floats to the dance. The school showed signs of enthusiasm and pride at homecoming time. The pep session was a success for the Seniors because they won this year's Olympics between the classes. The cheerleaders sponsored a Mr. Cool contest, where one "Cool Dude" was chosen to represent each class. The flags and Pom-poms on the drill team each performed a routine for the students.

SWEETHEART BANQUET

On February 16, the girls treated the boys to a Sweetheart Banquet. The girls escorted the boys to the beautiful red and silver decorated Ballroom at SIU. Couples arrived for pictures early before the meal was served. The dinner was wonderful and the live band "Spectrum" was excellent at the dance. The excitement built and the time for the crowning finally arrived. Jennifer Spence, the Mistress of Ceremonies, began announcing the queen candidates, selected from each class. Genola Murphy was elected to reign as the 1985 Sweetheart Queen. The Queen then began her royal dance with the other candidates and their escorts joining in later.

It was a fabulous event, and an experience not to be missed.

PROM

This year's prom seemed to be "Almost Paradise" with its elegant royal blue and silver decorations. Prom was held in the Renaissance Room at the SIU Student Center. Afterprom was held at the Recreation Center where swimming, racketball, basketball, volleyball, and dancing were provided.

The center was beautifully decorated in silver tinsel and metallic blue stars and balloons. The couples were given elegant champagne glasses and memory books.

"Gunrunner" was the band providing the dance music at the formal prom. "Music in Motion" played the hits for afterprom.

Angie Abell was crowned Queen and Kent Dawson was crowned King. They reigned over a festive evening. Most of the couples still out after the afterprom went to Denny's Restaurant for breakfast. Some even stayed out to end a perfect evening by watching the sunrise.

STUDENT COUNCIL

This year's student council was very active. They started off the year planning Homecoming, the parade and the dance. They sold candy grams at Christmas and carnations on Valentine's Day trying to raise money, which they donated to the Statue of Liberty and the Dream Factory. They also used their money to pay for picnic tables that students can use to eat on next year.

Some of their other activities consisted of hosting Spring Week. Spring Week consisted of nerd day, hug day, Hawaiian Day and a Hawaiian Dance and Carnival.

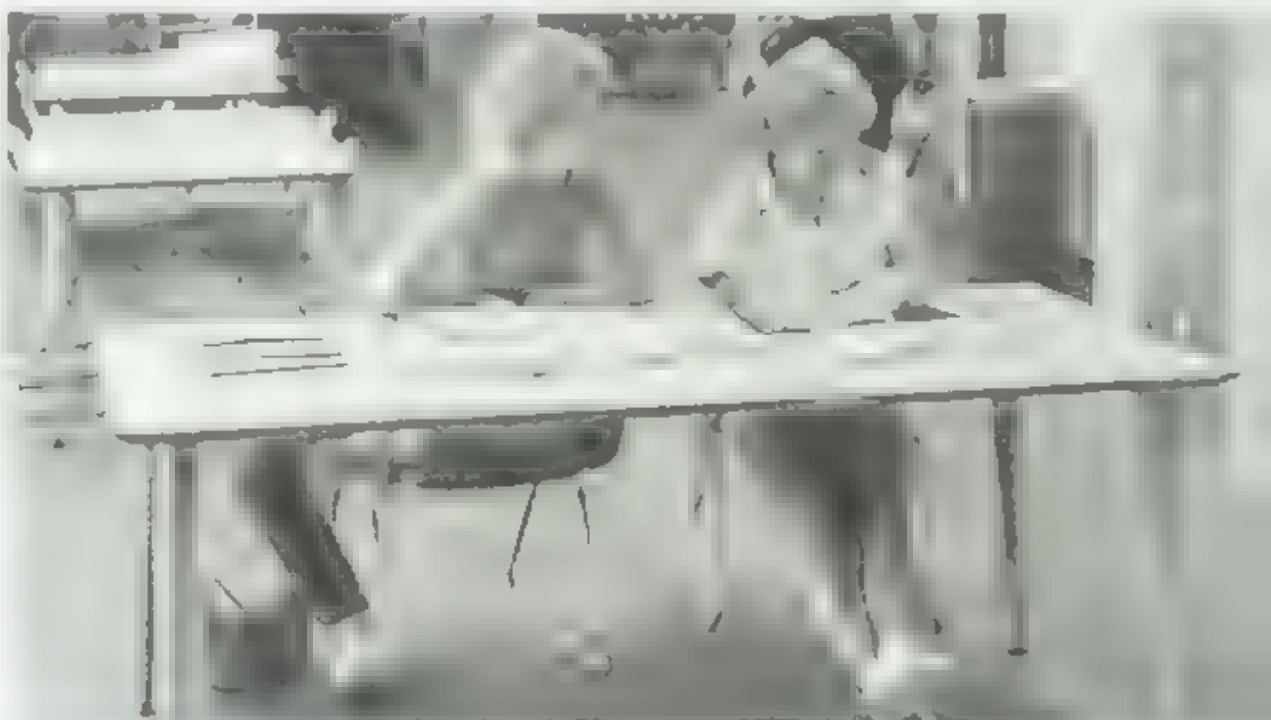

The student council attended a student districts meeting where they met with students from other schools and traded ideas. They also spent time talking to Mr. Newton about weighted grades. The student council finished off the year with a luncheon at Prime Time.

THEATRE

In its second year of existence, the relatively new class, Theatre, was offered to interested juniors and seniors. The class which is taught by Mrs. Connie Church and Mrs. Sheri Hunter is scheduled seventh hour for the first semester. In this short period of time two shows were presented. They were "M.A.S.H." and "The Frog Prince", a children's show performed for the younger grades. Some of the students attended a three day and two night trip to the Theatre Festival in Champaign, IL. Through the year, students learned about lighting, acting, writing and production. The members found the class enjoyable and useful. For the seniors who could have gone home seventh hour, it was well worth the stay. The class size greatly increased from the first year and brought back many of last year's juniors and added a large number of others. The class will surely continue to be successful.

BAND

The Carterville Marching Band began the 1984-85 marching season by participating in several parades: the Cambria Labor Day, Carterville Free Fair Parade, and the Carterville Homecoming. The band also performed at all the home football and basketball games. The pep band at basketball games is always a favorite of the crowd.

The Band went to organizational contest on April 13 and received a first place. They went on to Superstate to perform once again. The band rebuilt itself this year into an excellent and promising band for the future.

CHORUS

This year the chorus class has been very active in many different activities. They started off the year singing in the coronation. That was followed by the Christmas radio show.

The chorus class also had many students participate at contest. Along with solos and ensembles, the chorus class choreographed and performed a medley from the Broadway musical "Cats." They also performed "Cats" in the Variety Show.

The musical this year was the "Wizard of Oz." The leads were played by Amy Hunter, Darren Nance, Brad Gentry, and Gail Johnson. The chorus class worked hard and performed an excellent show.

For the spring concert, the class performed a medley "American Pop" with all songs ranging from the beginning of rock and roll to the present day music. Their finale was the big hit of 1985, "We Are the World."

POM-PON SQUAD

The Pom Pon Squad participated in the Rangler Girl Invitational Drill Team Contest for the very first time this year. They entered two categories, Prop and Novelty. The Prop, a salute to Broadway, was a chair routine to "Big Spender." The team came in second place. The novelty was a tribute to America. It was done to a medley of songs including "Over There", "You're a Grand Old Flag", "Yankee Doodle Dandy", and the "Olympic Theme." The squad wore patriotic colors, used hand flags, canes, and decorated barrels. This routine, a favorite of the crowd, received a third place. Mr. Bill King, the sponsor of the tournament, felt the Carterville squad did very well for their first time in competition.

The team was also very busy performing at football and basketball games during the year. Parades in marching season were also a priority for the squad. Over all with Captains — Tracy Spencer, Gail Johnson, and Amy Carney the year was an incredible success and the pom-pom squad reached new heights of performing.

FLAG CORPS

The 1984-85 flag corps with captain: Lisa Pillatsch and co-captain Dawn Runge, had a great year. They participated in the Carterville Free Fair Parade, the Cambria Labor Day Parade, the Old King Cole Festival, and all the home football games. They also participated in one basketball game. They also held a bake sale along with the pom pon squad to raise money for camp. The flag corps is looking forward to a great 1985-86 year.

TWIRLERS

The Twirlers at CHS didn't quite start the year off with a bang, but with hard work and cooperation they made the most of the season. There were 5 twirlers this year. They were: Junior — Amy White, Sophomore — Melanie Little, and Freshmen — Kendra Dorris, Tammi Humble, and Chris Nevous. Feature Twirler for this year was Tammi Humble. Head Twirler and Captain was Amy White. The Twirlers spent long hours practicing, arguing, and compromising, but all will say the year was one to remember.

The girls will never forget the night they performed "Ghostbusters" and had to run around the football field in the mud dressed like ghosts. One of the highlights of the year was Homecoming, and the annual fire twirling.

The season was one they will never forget! Sponsor of the Twirlers — Mrs. Stephanie Reeder, Stephanie enjoys working with the twirlers and is director of the Stepettes.

MUSICAL

This year the musical was the Wizard of Oz, with the director Ms Gayla Davie and the accompanist Mrs Norma Johnson

In the Wizard of Oz, Dorothy Gale (played by Gail Johnson), a young girl from Kansas, is carried over the rainbow in her house by a twister. She then lands in Munchkinland, a county in the land of Oz. When Dorothy and her house land in Munchkinland the house accidentally kills the wicked Witch of the East

Dorothy is then sent on her way to see the Great Oz to see if he can help her get back to Kansas. On her journey along the yellow brick road, Dorothy meets the Scarecrow (Darren Nance), the Tin Man (Amy Hunter), and the Cowardly Lion (Brad Gentry). The four of them run into many obstacles set up by the Wicked Witch of the West (Marie Tomasini) such as the jitterbugs that made them dance and dance until the Sorceress of the North (Elizabeth Howerton) helps them and sends them on their way to the Emerald City

When they reach the Emerald City, the Great Wizard of Oz promises to give the Scarecrow a brain, the Tin Man a heart, the Cowardly Lion courage and to get Dorothy back to Kansas, but they must first kill the Wicked Witch of the West

The Wicked Witch tries to kill the four of them but they end up throwing her into a cauldron full of magic water that was meant for them

In the end, the Wizard grants everyone's wishes and accompanies Dorothy back to Kansas in his rocket ship

VARIETY SHOW

This year's variety show kicked off and ended with the smash hit "Footloose." There were several other smash hits such as: "Let's Here It For The Boys" starring dancing waiters; Cabbage Patch, starring Kim Forbes and her cabbage patch doll; the Caterville breakers; and the Frightened Family starring Matt Brown, Julie Riley, Tim Homoya, and Darren Nance.

The students in the variety show spent many hours preparing their acts. Many students participated in the variety show along with track, baseball, softball, and drill team. They still had enough energy and patience to make the show a success, however.

The show was performed three times, Thursday and Friday nights, May 2 and 3, at 7:30 PM. The students also performed a matinee for the Cambria, Crainville, and Carterville grade schools. Each performance was performed with new life and energy. A great thanks goes to Mrs. Connie Church and Mrs. Sherri Hunter, the directors, for their time and effort to make the show a success.

ART CLUB

This year the art club has been very busy with fund raisers and art contests. The students started off the year selling crystal. They also had a spot in the homecoming parade.

The art club also had several members attend the regional and state contests in Springfield. Those students receiving awards were Sean Bradshaw, Todd Laake, Clint Samuel, and Gary Watson. The art club's scrapbook of their year's activities also received an award.

LIONITE

This year the Journalism class worked diligently on the yearbook and on articles for the high school page in the Spokesman. Students learned to meet deadlines through their pages and newspaper articles. Yearbook "people" also enjoyed themselves by attending the SISPA workshop and having a pizza party.

Yearbook Editor was Audrey Hanagan, Gail Johnson and Maribeth Ruder were the Arts, Homecoming, and Sweetheart Banquet, and the Ending. The people who worked on the classes were Steve Hanagan — Seniors, Scott Fawley — Juniors, Ben Parks — Sophomores, and Tom Henderson — Freshman. Ads were Steve Mausey, Brett Young, and George Calhoun. Amy White and Jennifer Spence did the Clubs, VIPS, and Faculty. Couples were done by Kendra Washburn and Dawn Bray. The Sports were Jeannie Mitchell, Aaron Mundell, Matt Brown, Randy Elliot, Michelle McGeath, Tammy Reyes, Kendra Washburn, Dawn Bray, Stephanie Puckett, Ben Parks, Kent Keen, Scott Fawley, David Treece, Larinda Boner.

SPHINX

The Sphinx is the high school newspaper. It publishes the important events of the school year. The staff members hold meetings where the editor assigns various stories. Ideas are discussed. Staff members then submit their stories to the editor who edits them for correct spelling, grammar, and construction. When the paper is finished it is sold to the student body for 25¢ a copy. The staff then celebrates success by having a pizza party. The Sphinx accepts material from any student and publishes letters to the editor from the student body.

VARSITY FOOTBALL

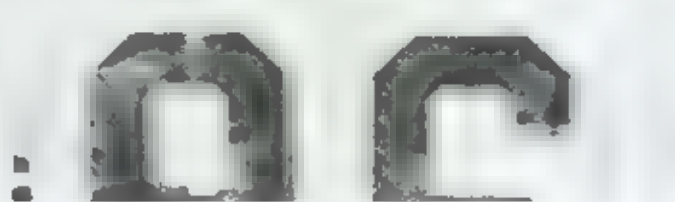

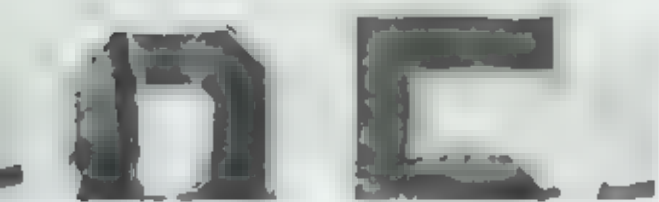

The 1984 Varsity Football Lions had another winning season this year. Their overall record of 5-4 and conference record of 2-3, doesn't tell all of the story. All the games played by the Lions were excellent, whether they were a win or loss. With the exception of the Anna-Jonesboro game, the Lions only lost by one or two points. The offensive team was good, but was hurt by fumbles throughout the season. Defensively the Lions gave up very few points. They kept three teams from even scoring and only one team scored over fourteen points.

J.V. FOOTBALL

Even though the J.V. team only had six sophomores they still had another winning season. The team had a rough schedule including teams such as Anna and Johnston City. Their offensive team was led by people on the line and people in the back-field. On defense, the Lions never let a team score over 14 points all season. Overall the team had a very successful season.

FRESHMAN FOOTBALL

The freshman football team had the best record of any of the three teams. With an overall record of 7-1 the team also had a perfect 5-0 record in conference play. The freshman team has a lot of potential in future seasons. Many of the freshmen played in every J.V. game and are almost assured a starting position next year.

J.V. CHEERLEADERS

The members of the Junior Varsity squad were very hard workers. They were always full of new ideas and ready to help. They worked well together and helped to promote school spirit. They went to camp and were judged to be the best of all the squads.

VARSITY CHEERLEADERS

Being a cheerleader isn't all fun and games like everyone thinks it is. It takes a lot of dedication to be a cheerleader. Cheerleaders make the school spirit by trying to get everyone involved. If the cheerleaders are enthused then the fans usually get involved. The cheerleaders went to camp at Illinois State and learned a lot of cheers. This year's group was very close and worked well together. All of the cheerleaders learned and contributed to the making of a great squad.

SOFTBALL

The 1984 Fall softball season began with mostly young, enthusiastic players. Most of our players were sophomores with leadership, provided by seniors — Jackie Merkin and Jodi Lewis — and Junior — Jeannie Epps. The team will always be remembered by me as the hardest working team I have had. Although we struggled to get a win all season long, this team laid the ground work for a bright future in softball for their remaining years in high school. The season concluded with Jodi Lewis and Jeannie Epps being named All-Conference.

The 1985 Spring season opened with most of the same players plus two newcomers. As the season began, we quickly got a win under our belts and continued to make steady progress throughout the season. Congratulations are in order for these players on their dedicated effort and to Jeannie Epps our MVP.

VARSITY BASKETBALL

The Carterville Lions varsity Basketball team struggled through one of the toughest schedules in many years. Injuries to players kept the mighty Lions from achieving some of this seasons goals. The Lions were 7-18 and had many exciting and close ball-games. The 25 point win over Harrisburg in the Harrisburg tournament, the 1 point win over Zeigler-Royalton at home, and the double-overtime loss to DuQuoin in the Carbondale Holiday Tournament stand out as some of the more exciting games. There were three seniors on this year's team. They are Matt Yusko, Jerry Mumbower, and Keith Liddell. We have high expectations for next year with 8 varsity players returning

GOLF

The '84-'85 golf season wasn't an outstanding season overall, but there were some people who did rather well this season.

One of those people was a transfer student, Brian Thompson. He was one of the people who made up the Carterville Boys' Regional Team who competed in Carterville this year at the Crab Orchard Golf Club. The Boys' Regional Team was made up of John Forbes, Steve Spillman, Mike Fussner, T.J. Gentry, Mike Payne, and Brian Thompson.

Another such person was Debbie Johnson who placed third in the Girls' Regional Tournament in West Frankfort. Both Debbie and Brian advanced to their respective Sectional Tournaments.

GIRLS TRACK

The Girls' Track Team had an outstanding year. Included in their list of accomplishments, was winning the Black Diamond Conference for the seventh year in a row. The team also had many outstanding members, one of these was Junior Kris Wunderle, who qualified for the state meet. Although the team lost six members to graduation in 1985, there is still plenty of talent left over for a great year in 1986.

BASEBALL

The 1985 baseball season at CCHS was a pretty good one even though the team finished with a record of seven wins and ten losses. As in most cases, you can't judge a team's season only looking in the scorebook. Carterville beat the two South Seven Conference teams of Marion and Herrin. Helping the team this year that wasn't there in previous years was the great depth of pitchers. The Lions had six pitchers that could play at any time.

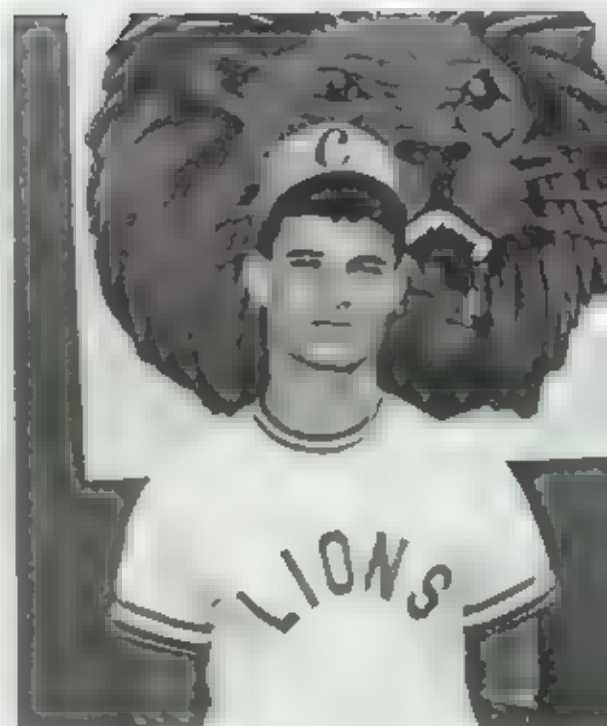

The season wasn't as great a success as all had hoped, but the coach and players really enjoyed the season.

The F.B.L.A. has monthly meetings. At each meeting they try to have a guest speaker to talk to them about business. This year many of their activities were cut short because of Mrs. Newcom's operation. They sold popcorn, cookies and cleaner to make money for the club. Their highlight of the year was a trip to the Recreation Center at S.I.U. in Carbondale. They also went to I.V.'s for pizza afterwards. The sponsors for F.B.L.A. are Mr. Emery and Mrs. Newcom.

They prepared food baskets for a needy family at Christmas. They planned a trip to Paoli Peaks, Indiana, but this failed. They are hoping to go next fall. The main highlight of the year was Sweetheart Banquet. It was held at S.I.U., the band was Spectra, and Genola Murphy was crowned queen. During the spring they collected money for the Special Olympics, and attended it at McAndrew Stadium on the campus of S.I.U. They went to Six Flags on June 3. FRENCH

The French Club has done a lot this year. Among their many activities were: a Christmas party; in January, they had their annual "Bean Cake" with a bean king or queen (the person who finds the bean is the Bean King or Bean Queen). They had their spring picnic in April and a dinner in May. The main highlight of the year was the trip to Canada. The students left on June 5, and returned home on June 13. They went by train and visited Montreal and Quebec City. Only 12 students went, but the ones who did go will say it was an experience they will never forget. The club meets once a month for their annual meeting. The officers for this year are: President — Linda Updike, Vice-president — Chris Egelston, Secretary — Gail Johnson, and Treasurer — John Forbes.

Jenny and Tammy enjoy learning about Spanish culture

These two little people enjoy Spanish class almost as much as the students do

SPANISH

The Spanish Club is something new this year at CCHS. It includes the entire Spanish class which is approximately 18 students. Mrs. Luebbers is the sponsor and Spanish teacher. The club has four officers, one from each class, they are, Freshman — Lorna Luebbers, Sophomore — Tracy Hayes, Junior — Tammy Williams, and Senior — Scott Woolard. This year, the club went out to dinner to a Mexican restaurant, **Tres Hombres**, in Carbon-dale, and they also went to S.I.U. for Foreign Language day.

COMPUTERS

The Computer Club is a new edition to Cartersville High School. The sponsor, Brenda Bratcher, formed the organization using her computer students. To take a break from their hard work, they had a pizza party during lunch. The officers for the Computer Club are as follows: Charles Hees — President; Steve Hanagan — Vice President; Jim Mulvany — Secretary; Chris Egelston — Treasury. The Computer Club helps the individual share his skills with a group to form useful tools for the future.

OFFICE WORKERS

The office workers are very dependable people. They are those students who are willing to give up their study hall to help in the office or Guidance Office. They deliver messages, and run various errands for Mrs. Sparks and Mrs. Appuhn. They also help Mrs. Appuhn when registering the incoming freshmen for high school. Mrs. Appuhn and Mrs. Sparks appreciate these girls for all their help throughout the year.

Y.E.S.

The Y.E.S. Club is on the lookout all year round for new individuals who want to help the students of Cartersville High School become more aware of problems that arise every day. The members of the Y.E.S. Club are leaders of good standards. An example of their leadership would be the fact that they try to show and tell students that drinking and driving DO NOT mix!! They also take time from their busy schedules to write letters to disabled children, whether they are young kids or high school students. They meet once a week, and their sponsor is Mrs. Susan Appuhn, who is also the Guidance Counselor.

FRONT ROW: Margaret Hess, George Calhoun, Tony Rogers, Bryant Davis, Jill Fisher. **SECOND ROW:** Natalie Dickerson, Dana Colp, Kim Morehead, Candy Richardson, Tracy Fawley, Susan Pennock, Barbara Bennett, Sponsor — Mrs. Appuhn.

MEDIA CLUB

The Media Club meets every other month to have a general meeting and party. The other months the executive counselors and officers meet. The officers for this year are: President — Tom Waldron, Vice-President — Audrey Hanagan, Secretary — Katrina Higgins, Treasurer — Tony Rogers, Parliamentary — Charles Hees. The club had various parties for the holidays and sold chocolate Santa's. They contributed \$150.00 to the statue of Liberty from the profit they made.

Jim in action!

LIBRARY WORKERS

The Library workers stay busy. They run errands, prepare new magazines when they come in. They clip articles from the newspaper for the "students in the news." They also help with the displays for the bulletin board, repair books and other library materials. One of their main jobs is processing and filing the vertical files. Altogether, they work to keep the library running smoothly.

INDUSTRIAL CLUB

The Industrial Club is a new organization that was formed this year. The requirement for this club is one year of an industrial arts class. The sponsors are Mr. Robert Marrs and Mr. Roy Davis. The club consists of seventeen members. This year, they built picnic tables which the Student Council paid for. These tables are for students to use during lunch hour. The Industrial Club is a welcome addition to the clubs of CHS.

VIDEO CLUB

The Video Club is a hard working group and several organizations depend on them. They tape the football and basketball games, the Variety show, the musicals, and the plays. They also tape educational programs for classes. This year Charles Hees and Jim Mulvany received awards for being the outstanding workers in the video club. They did a great job and are greatly appreciated.

ADMINISTRATION

A face that is found around Carterville High School a lot is the one and only Mr. Leroy Newton. Whether he's busy making things run smoothly, or meeting with the teachers, it seems that he always has time to help and try to understand the difficulties of high school life.

Mr. Newton has done a lot for the school, as well as for the students and faculty. Although, Mr. Newton is credited most of the time for the smoothness in which the school runs, he's not alone. Without the help of his faithful secretary, Mrs. Katharine Sparks, the school would not be able to function and continue to grow.

ADMINISTRATION

The Administration at Carterville High School does a great deal to support the school. Among the Administration is Dr. Robert Mees, Superintendent. Dr. Mees has been with the Unit 5 school district for four years. He does a lot to keep the school functioning. Mr. Gale Dawson, Assistant Superintendent, is quite a job. He must organize the bus schedules, and make sure that all the buses are running smoothly. He must also check the snow routes in the winter months.

Mr. Tom Armstrong, Athletic Director at Carterville High, has a busy job all year round. He has to schedule fall, winter, and spring sports. He must also cancel and reschedule if any conflicts should arise. The Unit 5 School Board consists of Mr. Kenneth New, Mr. Garford Gooden, Mr. Jon Jackman, Mr. Craig Pillatsch, Mr. Russell Hancock, Mr. Ron Waldron, and President — Mr. Larry Polard. The administration keeps busy with all of their many meetings and with helping the school function properly.

FACULTY

A sign of friendship is important at Cartersville High School. One of the ways friendship is shown is through the faculty. They show their concern by working hard at being a teacher, counseling students with their problems, and helping each student to achieve their future goals. The students are fortunate to have such adults who take the time to help them learn as much as possible, and to enjoy their high school years. We are grateful to have a faculty who take the time to help, and also enjoy the extra-curricular activities at Cartersville High School.

SENIORS

The Senior Class of 1985, led by president Scott Woolard, had a successful year by anyone's standards. No one will soon forget the Senior Trip to Evansville, the ice skating rink, the zoo, or **The Spirit of Evansville**. The entire year was busy and hectic, but the Seniors always had time to help or assist a friend or perhaps an out-of-line freshman. Through football, homecoming, the government trip, and College English they always stayed together as a class. Soon they will part as a class at Graduation. Even if they are not together they will still be loyal to their class and will always be members of the Class of 85

JUNIORS

Planning and paying for the Prom is traditionally the task of the junior class. This year's junior class worked very hard to raise money for prom. They all pulled together and did their part for the good of the seniors.

As always the junior class inherited the "junior parking lot". They were known for their excellent driving skills and for their creative parking techniques — as noticed by Mr. Newton and other faculty members.

SOPHOMORES

Our Freshman year is done the Sophomore year's begun and the class of 87 is the best.

Our float this year was also the best but was turned down from the prize, because we used an old lion which was from the year before

The Sophomore class this year, has been quite a success. Our school spirit is great, our attitude is terrific, and the candy we sold was a big hit.

As Freshmen WE were good . . . As Sophomores we're great and the future appears to be . . . FANTASTIC.

FRESHMAN

Along with the sign, Cartersville High School received new students — The Freshmen. High School is new territory for them to conquer, but first they must brace themselves for the storm of a nervous first year.

United, the class has done much this year. Achievements include having 11 high honor students and 16 honor students at mid-semester, wrapping up the football season with a record of 7-1, earning second place in the free fair float contest, and netting \$513.81 while selling Christmas tree ornaments.

Their sponsors are Mr. Kuntz, Mr. Marrs, Mrs. Newcom, Mrs. Oliva, and Ms. Triest. With these five to help organize things, the class of 1988 is sure to meet the oncoming challenges and be victorious.

CLASS OFFICERS: FIRST ROW, Amy Hunter, Treasurer, Amy Rains, Secretary **SECOND ROW,** Andy Groh, Vice President, John Aird, President.

C'mon, Jeff, you can do it!

A sign of the friendliness and willingness to work which students feel towards our high school can be seen through advertising sales. Several students from Study Hall took their own time to go sell ads for the benefit of the yearbook. By their hard work and devotion they helped to pay for the publication of the yearbook in your hands right now.

On behalf of the entire Journalism staff, I would like to extend a heartfelt thanks to all of these loyal sellers. I would especially like to thank Mrs. Janes and Scott Woolard for their outstanding help.

THANK YOU!

SIGNING OFF FOR '85

CARTERVILLE

HIGH SCHOOL

CLOSING

Signs have played a major role in our lives this past year. From road signs telling us how to drive to advertising billboards telling us how to eat, drink, or spend our money, we are surrounded by symbols. Here at school, however, these signs concentrated more on stimulating students to get involved in clubs, join a sport, or to take pride in academic achievements.

Whether they have told us what to do, made us think about what we're doing, or just totally confused us, these signs have been a big part of our lives. One last symbol which has affected our lives for several years is the diploma which the graduates received. When they accepted it, the seniors were saying that they went to CCHS, and that they were proud to have gone there.

Signing off,

Audrey Hanagan
